Securities Registration Record N° 175

Santiago, July 27, 2015.
Ger. Gen. N° 078/2015.

Mr. Carlos Pavez T.
Superintendent of Securities and Insurance
Superintendence of Securities and Insurance
Av. Libertador General Bernardo O'Higgins N° 1449
Santiago, Chile

Ref.: Significant Event

Dear Sir,

In accordance with articles 9 and 10 under Securities Market Law N° 18,045 and as established under General Norm N° 30 of that Superintendence, duly authorized on behalf of **Enersis S.A. ("Enersis" or the "Company")**, I hereby inform you of the following significant event:

Regarding the initiative informed by the Company through Significant events dated April 22, 2015 and April 28, 2015, and in compliance with provisions of the Official Letter N° 15,443 issued on July 20, 2015 by the Superintendence of Securities and Insurance, we hereby inform that the Board of Directors of Enersis, in its extraordinary session held today, has unanimously resolved that in the case that the transaction to separate the generation and distribution activities in Chile from those performed by the Enersis' Group outside Chile, the corporate reorganization would be carry out through the following corporate transactions:

1. Each subsidiaries, Chilectra S.A. ("Chilectra") and Empresa Nacional de Electricidad S.A. ("Endesa Chile") would be divided, and therefore, will cause the emergence of: (i) a new company from the division of Chilectra ("Chilectra Américas") in which the shareholdings and assets that Chilectra owns abroad, as well as the liabilities linked thereto, will be allocated into it; and, (ii) a new company from the division of Endesa Chile ("Endesa Américas"), in which the shareholdings and assets that Endesa Chile owns abroad, as well as liabilities linked thereto, will be allocated into it.
2. Enersis, in turn, would be divided, creating a new company ("Enersis Chile") in which the shareholdings and assets of Enersis in Chile, including the shareholdings in Chilectra and Endesa Chile, (following the division of these companies as described previously) and liabilities linked thereto will be allocated. It will remain in the divided Enersis (which it will be denominated "Enersis Américas" following the division), the international shareholdings of Enersis as well as its shareholdings in the new companies, Chilectra Américas and Endesa Américas, that were created as a result of the aforementioned division of Chilectra and Endesa Chile and the liabilities related to them.

3. Once the aforementioned divisions are materialized, Enersis Américas would absorb through a merge Chilectra Américas and Endesa Américas, and therefore, the latter companies would be dissolved without winding up, grouping all the non-Chilean participation of the Enersis Group. This merger, which involves two newly-incorporated companies (Endesa Américas and Chilectra Américas), shall be carried out as soon as legally possible pursuant to the provisions of the applicable regulations.

The corporate scheme that the Board of Directors agreed to continue analyzing the corporate reorganization would be as follows:

The companies denominated Enersis Chile and Enersis Américas would be domiciled in Chile and their shares would be listed on the same stock exchanges as the existing companies of the Enersis Group. None of these abovementioned transactions would require additional financial contributions from shareholders.

The Enersis' Management has received a mandate from the Board of Directors to continue to develop the above-described operation with strictly compliance of the provisions of the Official Letter N° 15,443, in order to propose, where appropriate, to its shareholders and its subsidiaries Endesa Chile and Chilectra, the required steps to complete this corporate reorganization. It is estimated that the first part of such transaction (referring to the aforementioned divisions of Enersis, Endesa Chile and Chilectra) may be agreed by their respective Board of Directors by defining a proposal that would be submitted to the approval of the respective Shareholders' Meeting within the last quarter of this year and that the corporate reorganization could end during the third quarter of 2016.

Along these lines, it should be noted that the Superintendence of Securities and Insurance has confirmed through the mentioned Official Letter N° 15,443 that a corporate reorganization of this type would not constitute an operation between related parties pursuant to the provisions established in Title XVI under the Chilean Companies Act Law N° 18,046. However, among other aspects, the Superintendence pointed out that must be made available to all shareholders summoned to resolve the referred divisions (first step of the corporate reorganization), reports prepared by independent expert appraisers regarding the estimated value of the merging entities and estimations corresponding to exchange ratios.

Also, the Superintendence of Securities and Insurance has suggested that, considering the complexity of the transaction, the Company's management may consider other measures to enable shareholders to have additional elements in order to adequately analyze this transaction. To that effect, and in order to give major guarantees of transparency to the process, the Board of Directors of Enersis has resolved that, in case that it decides to propose the above-described transaction, it will be agreed that the Directors' Committee explicitly pronounce on the corporate reorganization.

Enersis will continue to keep informed the market on the progress of this proposal.

Sincerely yours,

Luca D'Agnese
Chief Executive Officer
