Dear Sir:

In accordance with articles 9 and 10, paragraph two, under Securities Market Law No. 18,045, and as established under Circular Letter No. 660 of 1986 of the Financial Market Commission ("CMF"), I, duly authorized, hereby inform you, as a material fact, that at the meeting of the Board of Directors of Enel Américas S.A. (the "Company") held today, it was agreed to propose to the next Ordinary Shareholders' Meeting of the Company, to be held on April 25, 2024, the distribution of a final dividend of US\$259,280,663, equivalent to 30% of the net income of 2023, in line with the Dividend Policy for 2023. The amount of the interim dividend paid in January 2024 will have to be deducted from this final dividend, so that the effective amount to be distributed to shareholders in May 2024 would be US\$ 141,870,000, representing a dividend of US\$0.001322428654947 per share.

The next Ordinary Shareholders' Meeting of the Company will be held on April 25, 2024 and the other matters to be submitted for consideration by the shareholders will be duly informed through the Company's website and other communications required by the applicable regulations.

Form No. 1 of Circular Letter No. 660 of 1986 of the CMF will be sent in a timely manner once the final dividend has been approved by the Ordinary Shareholders' Meeting.

Yours truly,

Aurelio Bustilho de Oliveira
