Ref.: MATERIAL FACT.

Dear Madam:

In accordance with the provisions of article 9 and the second paragraph of article 10 under Securities Market Law No 18,045, and as established under General Norm No. 30 of the Financial Market Commission, and duly authorized to this effect, I hereby inform the following material fact of Enel Américas S.A. (the "Company" or the "Corporation"):

1. As reported by the Company through the Material Fact notices dated June 18, July 23 and July 29, 2026, and within the framework of the share buyback program approved at the Extraordinary Shareholders' Meeting held on July 23, 2026, the Company instructed Banchile Corredores de Bolsa S.A. ("Banchile Corredores") to register a public offer (the "PO") in the systems of the Santiago Stock Exchange (the "Exchange") for the acquisition, through the *pro rata* mechanism, of 5% of the outstanding shares of the Company's share capital, equivalent to 5,149,434,697 shares, at a price of $93.36 per share.

   The PO was duly registered in the Exchange systems with effect from July 31, 2026, for a period of 30 calendar days, meaning between July 31, 2026 and August 29, 2026.

2. As the program's term has expired, we hereby announce its conclusion and results:

   a. During the term of the PO, Banchile Corredores, in its capacity as administrator of the PO, received acceptances and sell orders for a total of 11,165,626,648 shares of the Company, ultimately representing 216.83% of the maximum number of shares that the Company offered to acquire.

   b. Thus, the PO is declared successful, and as a result, the Company will acquire 5,149,434,697 shares, representing 5% of the outstanding shares into which the Company's share capital is divided, at the previously indicated price of $93.36 per share.

   c. Considering the excess of accepted shares over the number of shares that the Company offered to acquire, the Company will acquire the shares it offered to purchase on a *pro rata* basis, which it will determine and announce to the Exchange today.

   d. Banchile Corredores will carry out the settlement process for the PO within the established timeframe, that is, on September 2, 2026.

Sincerely,

Giuseppe Turchiarelli
Chief Executive Officer
Enel Américas S.A.
