**Ref: Significant Event**

Dear Sir,

In accordance with articles 9 and 10, paragraph two, under the Securities Market Law No. 18,045, and as established under General Norm No. 30 of the Financial Market Commission (FMC), I, duly authorized, and in representation of Enel Américas S.A. ("Enel Américas"), hereby inform you in this Significant Event and in relation with the Merger by incorporation of EGP Américas SpA ("EGP Américas") into Enel Américas (the "Merger"), approved by the Extraordinary Shareholders' Meeting held on December 18, 2020 (the "Meeting") which, as anticipated in the Significant Event issued on March 5, 2021, as of today, April 1, 2021, all the effects of the Merger have taken place and, therefore, Enel Américas has acquired, through the Merger, all EGP Américas' assets and liabilities, including the business and non-conventional renewable energy generation assets that it owns in Central and South America (except Chile), and begins to replace it in all its rights and obligations, incorporating into Enel Américas all EGP Américas' shareholders and assets and, as a result, the latter is fully and legally dissolved, without the necessity to settle.

Consequently, as of April 1, 2021, the following principal companies are incorporated as new Enel Américas' subsidiaries: Enel Green Power Brasil Participacoes Ltda., Enel Green Power Costa Rica S.A., Enel Green Power Colombia S.A.S ESP, Enel Green Power Guatemala S.A., Enel Green Power Panama S.R.L., Enel Green Power Perú S.A.C., Enel Green Power Argentina S.A., Energía y Servicios South América SpA and ESSA2 SpA.

Finally, on the same date, April 1, 2021, all amendments to the Enel Américas' bylaws approved by the Meeting, consisting of the respective capital increase and the elimination of the limitations and restrictions established in the bylaws by the application of Title XII of Decree Law No. 3,500 of 1980 – with the sole exception of the Investment and Financing Policy that remains in place – and, in particular, the one that establishes that a shareholder and his or her related persons are not permitted to concentrate more than 65% of Enel Américas' voting capital.

Yours truly,

**Maurizio Bezzeccheri**  
**Chief Executive Officer**  
**Enel Américas S.A.**
