Shareholders received 0.326003960684452 transferable preemptive share rights to subscribe for new shares of our common stock at a subscription price of US\$0.162108214203236 per new share for each share held of record as of June 21, 2019, the share record date. Citibank, N.A., as the depository for our ADSs, distributed approximately 0.326003 transferable preemptive rights to subscribe for new ADSs to holders of our ADSs (each representing 50 shares of common stock) for each ADS held of record as of 5:00 p.m. (New York City time) on July 2, 2019, the ADS record date. Each full preemptive ADS right gives the holder the right to subscribe for one new ADS at the subscription price of US\$8.31 per new ADS, which includes certain fees and expenses, during the subscription period beginning of July 3, 2019 and ending at 2:15 p.m. on July 23, 2019.

The preemptive ADS rights are traded on The New York Stock Exchange (the “NYSE”) under the ticker symbol “ENIA RT”. The NYSE has announced that due to the fact that there is no Notice of Guaranteed Delivery provided with respect to the exercise of the preemptive ADS rights, trading in the preemptive ADS rights will be suspended effective before the opening of trading on the NYSE on July 19, 2019. As a result, the last day of trading of preemptive ADS rights on the NYSE will be July 18, 2019.
